Dear <Client Name>,

The kids' playoff game. The group dinner out on the town. The big family party where everyone's got something to say – especially the little ones. Do noisy settings like these still get in the way of hearing the voices that matter most?

A new solution has arrived to help you hear more clearly—even in the loudest places you go:

Bring on the noise with Moxi™ S-RX

We're pleased to offer this new solution featuring AI-powered separation of speech from noise, a sleek design for all-day comfort, and personalisation tools that improve your listening experience.

How Moxi S-RX keeps you connected and confident:

- **Clear conversations in noisy places**
AI technology separates speech from noise—no matter which direction voices are coming from—for improved clarity in loud settings.
- **Universal Bluetooth® connectivity**
Stream calls, music and more from your favourite iOS or Android devices.
- **All-day comfort and power**
Light and comfortable, with a long-lasting rechargeable battery so you can forget you're wearing them.
- **Easy, personalised listening experience**
Get set up quickly, make adjustments, and submit feedback using the Remote Plus app

Just say, “Bring it on!”

Book your next appointment with us if you'd like to explore Moxi S-RX. We can help you turn “maybe next time” into “bring it on”.
