

AMAZING EXPERIENCES
COME OUT OF THE BLU

unitron™ Love the experience

Introducing a new family of hearing aids - Moxi™ Blu.

Get the most out of every conversation

Moxi Blu hearing aids automatically adjust on the fly.

Make adjustments in any environment

Take advantage of optional features that help boost performance no matter where you go in life.

Connect your hearing aids with your devices

Stream your favourite audio, receive calls and control digital assistants, all with a simple double tap on your ear.

Designed to be discreet and comfortable

A properly fit hearing aid is one you forget you're wearing. Moxi Blu devices are discreet and rechargeable, with a multi-function button for convenient control and a full day of listening on a single charge.

Call us to make an appointment on (clinic phone number) and test Moxi Blu today!
