

# Log It All

Log It All captures real-life data enabling you to give more personalised recommendations to your clients based on their real-world listening lifestyle.

Use quantitative data about listening lifestyles to support your recommendations

Clearly demonstrate the benefits of technology levels

## You experience:

- An opportunity to get to know your clients better and faster
- Less stress about making technology recommendations thanks to evidence-based data
- The opportunity to increase revenue from selling higher technology levels
- Easier troubleshooting of performance concerns when you can see where clients are spending their time
- The advantage of providing an enhanced experience when combined with FLEX:TRIAL™ or FLEX:UPGRADE™

## Clients experience:

- An objective breakdown of the listening environments they spend time in
- A more personalised recommendation based on their unique listening lifestyles
- More realistic expectations about their journey through greater involvement in the process and more informed decision-making
- Confidence in your ability to troubleshoot performance issues quickly
