

A FAMILY ADVENTURE LIKE YOU'VE  
NEVER HEARD IT BEFORE

**unitron**™ Love the  
experience

## Introducing the new Stride™ Blu power hearing aid

### Enhanced performance

Get the most out of your conversations with technology that automatically adjusts to keep up with life's ever changing moments.

### Make adjustments in any environment

Take advantage of optional features that help boost performance no matter where you go in life

### Seamless connectivity

Stream your favourite audio, receive calls and control digital assistants, all with a simple double tap on your ear.

**Call us to make an appointment on (clinic phone number) and test Stride Blu today!**
