

Welcome to the
Vivante™
experience

unitron™ Love the
experience

A Sonova brand

Welcome to the Vivante experience from Unitron – where life is full and beautiful, living and hearing in harmony. Now every day is a great day to turn up the volume on life.

Vivante hearing aids take you to the heart of every conversation, no matter how noisy it gets. Jump right into the action of all the wild road trip banter thanks to its dynamic conversation in car program. And enjoy a personalised experience using the Remote Plus app for a life well lived.

When hearing aids are a part of your everyday life, comfort and ease-of-use are essential. Choice makes life beautiful. To match your preferences and lifestyle, Vivante hearing aids are available in 5 different styles.

No matter the path you choose to take, you can enjoy the sounds of the good life.

Vivante technology enhances the sounds you want to hear while minimising background noise, no matter where speech comes from, so you stay engaged in conversations in a broad range of challenging listening situations.

Life is full and beautiful when you can embrace all the sounds it has to offer.

CHOICE makes life beautiful

With Vivante, there is a style to fit your needs.
Because more choice is always the right choice.

Choose how you personalise it

With the Remote Plus app, you can choose how you hear your world. With quick and seamless navigation, making the adjustments you need in-the-moment is easy. From volume control to program selection to preset programs that you can select and customise, you choose how to personalise your experience. Because when it comes to personalising your hearing journey, more choice is always the right choice.

Download the Remote Plus app now:

Life is about connections

With Made For All compatibility, you can conveniently stream phone calls and other media like music, podcasts and digital assistants right to your hearing aids, easily controlling them with just a tap. Plus, you can seamlessly switch between two actively connected Bluetooth® devices.

*The Remote Plus app works on Apple and Android smartphones. Apple and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc. Google Play and the Google Play logo are trademarks of Google Inc.

Optional accessories:

- Stream your favourite media wirelessly in stereo sound with the TV Connector.
- PartnerMic is an easy-to-use lapel microphone ideal for one-on-one conversations.
- Discreetly adjust volume and switch programs with the Remote Control.

Try before you buy

Not sure if hearing aids are right for you? With FLEX:TRIAL™ you can experience the benefits of amplification before committing to a purchase with no risk or obligation. By trying your hearing aids where you live, work, and play, you will gain peace of mind that you have the right hearing aid for you.

Keep your options open

We can fit you with a comfortable and affordable solution that meets your needs today, along with the peace of mind that you can upgrade technology levels at any time if your listening needs change. With FLEX:UPGRADE™, you simply pay an upgrade fee without the need to purchase new hearing aids.

Colour is personal. Have your pick.
