

Experience a technology change with no commitment

Change is one of life's many joys – at least, it should be. If your hearing or lifestyle have evolved since we last saw you, we want to remind you that your hearing aid technology level can be upgraded using FLEX:UPGRADE™. No matter what may have changed since your purchase, we can ensure your hearing aids continue to deliver the best listening experience by offering you a complimentary trial of a higher technology level.

Try a higher technology level for free! Here's how:

1. Call us today to book your appointment
2. We will review your current listening needs and hearing aid technology level
3. If your listening needs have evolved and greater sound performance is preferred, we'll provide you with a free, no-obligation trial of a higher technology level using FLEX:UPGRADE
4. If you like the new technology level better, you simply pay an upgrade fee without the need to purchase new hearing aids
