

SET 860

Your +
in TV
listening.

Superior sound quality
directly from the TV –
free from echo
and background noise.

SENNHEISER

Sennheiser's Set 860 assistive listening device delivers crystal clear, enhanced sound to users with changing hearing needs. Listening enjoyment is guaranteed with intuitive features including pre-set hearing profiles, enhanced speech clarity and volume control for each ear. The Set 860 is effortlessly simple to set up and use.

- Speech Intelligibility function reduces TV background noise while enhancing speech
- Freedom of movement within a range of up to 70m/200ft
- Up to 18 hours of playing time for longer listening sessions
- Three hearing profiles for sound optimization of speech and music
- Balance control for left/right volume adjustment
- Mono/Stereo switch for listening full content (left/right) in one ear
- Boosted stereo sound directly into the ear
- Turns on/off automatically
- Large, easy-to-use volume control – volume directly adjustable on the receiver
- Charging reminder function (LED) notifies you to charge the receiver – charging directly on the docking station
- Made in Germany
