

## Keep it simple and spontaneous

Some of life's most delightful moments happen when we take the time to soak in the small, unexpected surprises in our day. Discover those sweet spots with a hearing solution that is simple enough to deliver hassle-free listening, but built on proven technology to help you hear what you've been missing. Moxi B1-312 keeps you connected to the world around you with Made For All technology that offers direct streaming from all your digital devices.

## Affordable today, upgradeable tomorrow

Start your hearing journey with confidence knowing your devices can evolve with your needs. Moxi B1-312 is an entry-level solution built on the advanced Blu platform – technology that can be easily upgraded as part of Unitron's FLEX:UPGRADE™ program without requiring you to swap devices.

### Covered wherever you go

We believe a warranty is a warranty no matter where you are. With offices in 65 countries around the globe, travel with your Blu hearing aids worry-free.

At Unitron, we empower people with life-enhancing hearing experiences that fit seamlessly into their world. Our sound performance technology, Experience Innovations, and intuitive design work perfectly together for unmatched personalisation and optimisation. Because everyone deserves to **Love the experience.™**
