

Ratings

Ratings allows your clients to provide in-the-moment feedback through the Remote Plus app, while capturing hearing instrument settings to help make your counselling more efficient and personalised.

Stay connected to real-world client experiences

You experience:

- More accurate client input that doesn't depend on recall
- The ability to provide more accurate responses to specific problems in a timely way
- The potential for fewer follow-up calls, saving you time

Work together towards a personalised hearing experience

Clients experience:

- Less pressure and frustration to recall experiences weeks later at follow-up appointments
- A quick and easy-to-use interface in Remote Plus app
- In-the-moment support to resolve some issues based on suggestions generated by the Unitron TrueFit™ fitting software
