

Hear what you love.
Love what you hear.

**U Smile,
we all Smile**

Connected by a Smile

With Moxi™ S-R hearing aids, you'll have industry-leading sound performance, reliable universal connectivity, and exceptional comfort ... all tailored to your needs.

Brilliant sound performance: Moxi Smile hearing aids focus on the sounds you want to hear while minimising the ones you don't.

Reliable universal connectivity: Effortless connectivity keeps you in the moment, with hands-free calls and smooth media streaming across all your Bluetooth®-enabled devices. You can quickly and easily switch between an in-person discussion, a call, and streamed media – all with the freedom to walk away from your phone while staying reliably connected and engaged.

Comfort and dependability with style: Built for all the moments that make up your day, the sleek and stylish Moxi S-R is discreet, water-resistant, and easy to charge at home or on the move.

Talk to us about the new choices available in performance and personalisation. Schedule a consultation online at www.clinicname.com or by calling us at xxx.xxx.xxxx.
