

SPONTANEOUS ROAD TRIPS  
NEVER SOUNDED SO GOOD

Clinic logo, address and website

# Memories are made when you least expect it

Introducing our newest hearing aid **Unitron Moxi™ Blu**.  
Moxi Blu delivers next generation automatic optimisation for each sound environment, on-demand personalisation and seamless integration with the digital world - and the freedom to live in the moment.

**Because amazing experiences come out of the Blu.**

**Book a real-world assessment  
so you can experience  
improved hearing at home,  
at work and everywhere in  
between, before you buy.**

**Hear what you want, when you want, where you want.  
Call us to make an appointment on  
(clinic phone number) and test Moxi Blu today!**
