

More reasons to Smile.

Welcome Inera S-R

**U Smile,
we all Smile**

Designed for your life, however you live it.

The best hearing aids don't just sound good — they feel amazing, all day, every day. Inera S-R is made just for you!

Personalised sound that keeps you in the moment:

With Inera™ S-R, you can feel comfortable and confident with rechargeable hearing aids that adapt to your surroundings, offer easy Bluetooth® streaming and let you personalise how you live.

Comfortable, reliable and made just for YOU: Get a comfortable, custom fit with Inera S-R hearing aids that are easy to power, built to last and designed to keep up with your everyday life.

Support for wherever you are in your hearing journey:

With app-based guidance, helpful reminders, and easy ways to share feedback, you'll feel supported through every step of your hearing journey – wherever life takes you.
