

Unitron Social Media Ads x3

Ad #1 formatted for Instagram and Facebook

Headline	Lose the "Nod and Smile." Find the real laugh.
Content	We've all been there. You're at a busy restaurant or a noisy family birthday, and the conversation gets moving too fast. You miss a sentence, so you just nod, smile, and hope you didn't just agree to look after your neighbour's cats for a month! Nodding along to a story you can't quite catch is exhausting. At [Clinic Name], we think you should be leading the conversation, not guessing it. That's why we've partnered with Unitron to offer stylish, high-tech hearing solutions that automatically zoom in on speech - at a price point that respects your weekly budget. Stop guessing the punchline. Call our friendly local team on [Phone Number] to chat about our flexible options!

Ad #2 formatted for Instagram and Facebook

Headline	Start your Flex: Trial today
Content	You wouldn't buy a car without taking it for a spin first, so why should your hearing aids be any different? With today's cost-of-living pressures, the last thing you want is a stressful upfront expense on something you aren't sure about. We get it. That's why at [Clinic Name], we offer the Unitron Flex: Trial™. You don't buy the technology - you test drive it in your real life for two full weeks. Take them to the pub, wear them at the movies, and use them on phone calls. Total upfront cost? Exactly zero dollars. No pressure, no upfront commitment, just great sound. Call us at [Phone Number] or visit us at [Address] to pick up your trial kit today!

Ad #3 formatted for Instagram and Facebook

Headline	Better hearing on a coffee budget.
Content	With everyday costs on the rise across Australia, it's easy to put your health on the back burner. But what if staying connected to your loved ones cost less than your morning caffeine fix? At [Clinic Name], we're making premium sound truly affordable. By partnering with Unitron, we can offer flexible, budget-friendly payment plans that break down the cost of world-class hearing technology to less than a daily cup of coffee. You don't have to sacrifice your lifestyle to get your hearing back. You just need a local independent team who knows how to make the math work for you. Ready to unmute your world without the financial stress? Send us a DM or visit [Website] to book a chat with our team.
