Another reason to Smile

Inera™ S-R

Introducing Inera Smile: An all-new
in-the-ear experience awaits.

 **Love the
experience™**

The industry-changing Inera™ S-R is here—**a small, discreet and fully featured custom rechargeable** hearing instrument, powered by the Smile platform. Loaded with **next-level sound, seamless connections and rock-solid reliability**, Inera S-R makes hearing feel effortless, in an easy-to-wear design.

Easy to wear

Modern and discreet meets ultimate comfort.

Our remarkably small hearing instruments combine custom comfort, easy charging and durable construction to support client satisfaction and reduce service needs over time.

Beige

Tan

Cocoa

Brown

The perfect fit changes everything.

Rechargeable design with snap and charge technology delivers intuitive, stress-free power

Durable IP68-rated construction protects against dust and moisture

EarMatch™ Advantage ensures a precise, comfortable fit the first time

Wax protection safeguards microphones and sound outlets

Snap and charge

The magnetic dock makes it easy. Just snap into place and power up.

Insera S-R: Black

Easy to hear

Brilliant sound performance your clients can count on.

Life's richest moments happen when you're fully present—laughing with friends, catching every detail of a story, or soaking in the soundtrack of everyday life. Inera Smile hearing instruments make it all possible, with clear, natural sound that moves with your clients, wherever life takes them.

HyperFocus with Dynamic Noise Reduction enhances speech clarity in noisy environments

AutoFocus 360 pinpoints voices from any direction—no manual program required

Universal Bluetooth® connectivity enables seamless streaming for calls, music, and podcasts

ERA™ chip technology supports stable, high-quality wireless connections

Remote Plus app provides personalised guidance between visits

*Hearing instruments not shown actual size.

Easy for you

Simplify your workflows; empower your clients.

Efficient setup, personalised support, and real-world data insights that help you tailor adjustments to each client's needs.

Streamlined pairing workflow for faster, easier smartphone setup

Customised Coach workflows so you can further personalise your client's experience based on their needs

Unitron's exclusive suite of **Experience Tech Tools**, designed to maximise the experience and enhance outcomes for both you and your clients

Insera S-10 NW O
