Effective September 2025

A Sonova brand

unitron™ Love the
experience

We believe the world
would be a better place
if people felt really good
about the entire hearing
care experience.

Today's clients have changed, but their hearing care journey has remained the same. The traditional process leaves them overwhelmed, skeptical and pressured. It's time to revolutionise the entire hearing care experience and we've done just that.

Love the experience is our promise to hearing care professionals (HCPs) and the people they help every day. It's our reason for being and the standard against which we will measure every move we make going forward. Simply stated, any solution or initiative must always map back to providing a hearing experience people will absolutely love.

The total experience

Complimentary charger with every rechargeable hearing aid order

FLEX:UPGRADE™

FLEX:UPGRADE empowers you and your clients to easily upgrade their hearing solution to a higher technology level as needs evolve. There's no need to purchase new hearing instruments, and clients only pay the difference between their new and current technology levels.

Keep clients coming back

How do you address client needs and concerns today, while extending your relationship and care well into the future? FLEX:UPGRADE can help you overcome clients' initial cost sensitivities by starting them with a technology level they feel is comfortable and affordable. As they experience the benefits of improved hearing and their needs evolve, you can offer them a free trial of a higher technology level at any time.

A continuous care feature that ensures clients always get the most from their hearing experience, way beyond their first fit:

- Upgradeable technology made possible by Unitron's open platform
- A unique offering only from Unitron
- No need to swap hearing instruments; upgrade is performed in TrueFit fitting software
- Clients have the opportunity to try a higher technology level with no obligation or upfront cost

You experience ...

- New possibilities for incremental revenue
- Increased closing rate thanks to a "safety net" offering
- A compelling differentiator for your clinic

Clients experience ...

- Reassurance they can start with an affordable technology level and increase at a later date
- Peace of mind that their future needs can be met if their hearing changes significantly
- The opportunity to leverage third party insurance to pay for hearing instruments at the base technology level while they pay for an upgrade to their desired level

Policies and purchase conditions

Price

The prices in this product catalogue are subject to change at the discretion of Unitron with or without notice to you. Hearing instruments are exempt from GST in Australia. The GST applicable for all other products are listed in the product catalogue. If GST is payable, it will be added to your Tax Invoice.

A Tax Invoice will be emailed to the designated account email address.

Orders

Any order not accompanied by a current order form may experience delays in processing.

Orders can be ordered via eStore or emailed to orders.au@unitron.com.au using a current Unitron order form.

Product order forms can be requested via the above email address, by calling 1800 212 313 or by visiting the [Unitron Australia website](#).

Unitron takes all reasonable endeavours to meet your requested time frame for the delivery of orders once the order form is processed. The delivery time may be impacted if you do not complete the mandatory fields on the order form including but not limited to the 'Required By' section. Unitron will endeavour to deliver your orders to you by the times stipulated below. Note, these times exclude transit time.

Internal turn-around times*			
Despatch (business days)			
Order	Standard	VIP	Comments for customers
BTE/RIC New orders (with no earmoulds)	2	n/a	Standard turnaround times for orders received prior to 2pm EST on a business day [^]
Earmoulds and Custom Devices New BTE/RIC orders with earmoulds New orders Remakes	10* 10* 10*	2 2 2	Turnaround times for orders received: Standard: Prior to 10am EST on a business day
Repairs Custom Devices BTE/RIC	5 5	2 2	VIP: Repairs Prior to 12pm EST on a business day
Other HI consumables Accessories Batteries Customer labelled batteries	2 2 2 on request	n/a n/a n/a n/a	Standard stock items Standard stock items Standard stock items

*General observations. If these turnaround times cannot be met, you will be contacted by Unitron Customer Care

Unitron offers a 48hr express service for all repairs and new earmould and custom device orders (IIC orders and non-standard colours may require longer processing time). This service will carry a fee and must be requested at time of order (\$57.75 incl GST per order).

[^]If 'Required By' date is stipulated on your order form, your order will be dispatched to meet this date and as such, may not be released within the times stipulated in the table above.

Warranty

Hearing Instrument Warranty

Hearing instruments purchased from Unitron are supplied with an international 3 year manufactures’ warranty, covering manufacturing and material defects, commencing on the date of the original Tax Invoice. This warranty does not cover damage caused by improper handling, wax or moisture damage. Repairs made by unauthorised parties are not covered and will void the warranty.

Receivers purchased with, and at the time of hearing instrument order come with a 3 year manufacturers’ warranty. Receivers purchased singularly, outside of hearing instrument warranty come with a 1 year manufacturers’ warranty.

An additional one year warranty (up to a maximum of 4 year warranty) is available to purchase within 90 days of the hearing instrument purchase for the charges indicated below.

Free-To-Client: \$89.50 per device (plus GST)

Top Up: \$168 per device (plus GST)

Ear moulds and any customised ear tips and / or shells on custom hearing instruments are supplied with a 90 day warranty, such that any ear mould / shell remakes with the same specifications, required within the first 3 months of invoice, will be made at no charge. Any remake that involves an alteration of the original order specification will incur a charge and is not covered by the warranty.

Accessory Warranty

Remote Controls and Accessories are supplied with a 12 month limited manufacturers’ warranty, covering manufacturing and material defects. Additional warranties are not available for accessories. *Proof of purchase must be provided with claim.

Rechargeable cases are supplied with a 3 year manufacturer’s warranty.

Loss and damage

Unitron hearing instruments can be supplied with a one-time only loss and damage coverage for 12 months from the date of original invoice for fees indicated below. No substitutions accepted. A ‘Loss or Damage Claim Form’ with attached Statutory Declaration, must be completed to claim a replacement and submitted to Unitron. One claim can be made per invoiced instrument that is damaged or lost within the first 12 months of the date of the original Tax Invoice. Subsequent loss or damage of the replacement instrument does not attract any coverage. The warranty duration of the originally supplied instrument is maintained (i.e. no new warranty is applied to the replacement device).

Loss and damage replacement fee for Top-Up products 577.50

Return for credit

Free-to-Client hearing instruments are accepted for exchange only within the 60 day exchange period from the date of invoice.

Free-to-client hearing instruments are not accepted for credit.

All Top-Up hearing instruments are accepted for return for credit within 90 days from the date of original invoice.

Batteries and Unitron Dry Aid Kits are not returnable for credit or exchange.

All products exchanged or returned must be returned to Unitron in their original, undamaged packaging and accompanied with a completed Credit Return Request Form. Damaged or unusable packaging may incur a fee.

Payment terms

Payment terms are 30 days from the date of statement. Acceptable forms of payment include Direct Deposit (preferred), Visa and MasterCard.

Delivery

All orders, including accessories, under \$150 will incur a \$15 (plus GST) shipping fee.

Where possible multiple daily orders to same location will be shipped together.

Bulk orders may take longer to arrive and, at our discretion, may incur a delivery charge which will be at your expense.

An authorised signatory must sign for the products upon delivery. The products will only be delivered to your registered business address.

Service and repair charges

Cost and inclusions for repairs:

- (i) Clean & Check: Includes full clean, inside and out and a full check of the device performance. A clean and check charge is only applied if no fault is found with the devices.
- (ii) RIC & BTE repairs: Includes replacement of full electronic parts. An additional 12 months warranty is applied post repair.
- (iii) ITE Repairs: Includes repair or electronics. An additional 12 months warranty is applied post repair.
- (iv) ITE re-shell: Excludes repair of electronics. An additional 3 months remake warranty is applied post repair.

Hearing instrument repairs

Within the hearing instrument warranty period
(unless the damage is caused by improper handling, wax or moisture)

No charge

Any unauthorised repairs made to the products will automatically void the warranty. A change in vent size, style, material, colour and/or customer damage to a remake order will be deemed a new order and applicable charges will apply. The GST payable will be added to the Tax Invoice.

Outside of the warranty period but less than 5 years old the following charges apply:

Clean and Check	\$89.50 (incl GST)
RIC/BTE/ITE repairs	\$194.50 (incl GST)
ITE re-shell	\$115.50 (incl GST)
ITE re-shell and repair	\$310 (incl GST)

Remakes

Custom shells – under a 90 day warranty	No charge
Custom shells – outside of warranty (classed as new order)	\$100 (incl GST)
SlimTips – outside of warranty (classed as new order)	\$37 (incl GST)
Earmould re-tubing	\$15.50 (incl GST)

Digital Wireless Accessories (DWA) repairs

Accessories (including remote controls)	\$194.50 (incl GST)
Battery replacements	\$52 (incl GST)

Please note:

- (a) All hearing instruments must be deemed serviceable or they will be considered Damaged Beyond Repair;
- (b) There is no guarantee that obsolete hearing instruments over 5 years old can be repaired, re-shelled or remade;
- (c) Repairs on custom instruments do not include custom shell; and
- (d) Replaced parts under any repair will receive 1 year warranty on those parts.

All repairs outside of warranty will automatically proceed without quoting and charged the fixed service price as selected on the Unitron Service form.

FLEX:TRIAL™ instruments

All FLEX:TRIAL instruments include a 12 month warranty on the instrument and a complimentary clean and check available at anytime.

Please note:

- Every FLEX:TRIAL instrument receives a complimentary coupling option (receiver or tube/dome)
- No additional warranty available for purchase
- FLEX:TRIAL orders are dispatched within standard BTE shipping lead times
- No exchange or return for credit
- No loss and damage policy
- No repair service outside of warranty period
- Firmware update will be completed on FLEX:TRIAL instruments if necessary

FLEX:UPGRADE™ instruments

FLEX:UPGRADE is available on all BTEs, RICs and custom products (excluding Tandem and Legacy instruments).

Please note:

- Upgraded instruments cannot be returned for credit
- Once confirmed, upgrades cannot be reversed
- An additional 12 month warranty will be applied to the device if an upgrade is confirmed more than 90 days and less than 3 years from the original invoice date

Sale of instruments

Unitron is not open to the public. Any requests for purchase or repair from a consumer will be redirected to an authorised health care professional. The Customer commits that all end user Hearing Instrument purchasers can obtain an in-person fitting with pre-audiological and post-audiological services provided by your company, unless such in-person fitting is not required per the product's instructions for use.

Privacy

By creating an account with Unitron you accept that Unitron will store your information. We recognise that your privacy and security are of the utmost importance and Unitron is committed to securing your personal information safely. If you have any questions/concerns about our [Privacy Policy](#) please contact us at privacy@sonova.com.

Unitron is a hearing solution company that believes people should feel really good about the entire hearing care experience, start to finish. Our ingenious products, technologies, services and programs offer a level of personalisation you can't get anywhere else. Get ready to Love the experience.
