Stay connected and confident—even when life gets loud

POSTAGE

Find out how Moxi S-RX can help you cut through the noise and hear conversations with even greater clarity:

- **Tune out noise and tune into the voices that matter** with AI-powered separation of speech from noise
- **Catch the chatter** no matter which direction voices are coming from
- **Stream calls, music and more** with Universal Bluetooth® connectivity

Just say, "bring it on!" Schedule your next appointment online at www.clinicname.com or by calling us at XXX.XXX.XXXX.
