

## Coach

Coach helps your clients integrate hearing instruments into their lives with personalised, timely and helpful tips, reminders and advice

Enhance your in-clinic counselling with everyday, at-home support

Help new wearers in their daily transition to hearing instruments

### You experience:

- A way to provide easy, automatic support beyond the clinic – simply activate Insights and Coach will send notifications directly to their smartphone via the Remote Plus app
- The potential for fewer follow-up calls, saving you time
- The opportunity to provide a unique and memorable experience for new clients
- The freedom to prioritise what matters most during the appointment with Coach offering invaluable support for managing finer details

### Clients experience:

- Timely, personalised support delivered to their smartphones automatically, and accessible any time they need it
- Peace of mind and satisfaction knowing they have assistance in managing the day-to-day use and maintenance of their hearing instruments
- Less pressure to remember everything they learned in their fitting appointment
